Coaches must register in Sportdata and must hold a valid Federation licence, in accordance with the current regulations.

13. UMPIRES

Each club must register its umpires in Sportdata, and they must hold a valid Federation licence, in accordance with the current regulations.

1–7 competitors = 1 umpire, 8–14 competitors = 2 umpires, etc.

We need as many senior umpires as possible to ensure a high standard of officiating on all mats.

All umpires will receive a free lunch and refreshments on the day of the competition.

They must wear a white shirt, navy blue trousers and jacket (blazer) (no jeans), a blue tie and white trainers. The umpire must be over 16 years old.

If a club does not have or is unable to provide umpires, it must inform the Umpire Committee so that, if necessary, another umpire can be requested from another club, with the club assuming the resulting costs. We remind all clubs that they must provide qualified umpires according to the structure of their club.

14. WEIGHT CONTROL

Competitors must wear a dobok top and trousers. A tolerance of 1 kg is permitted.

When registering, please ensure that your competitors are verified (weighed) at the club and not at home.

Instructors must take full responsibility for any incorrect weight information and must sign each registration form.

Weigh-ins have a maximum of 2 attempts; if more than 2 attempts are made, only the first 2 recorded weights will be taken into account.

All participants in the event, competitors, coaches, spectators, umpires, etc., must behave in accordance with the principles of Taekwon-Do at all times.
